# NEWRY HIGH SCHOOL

October 2016

Dear Parent/Guardian

I am writing to you regarding an exciting development at Newry High School. Since June staff have been working hard on expanding the range of extra-curricular activities on offer to all pupils. Enclosed is a detailed schedule of all the lunchtime and afterschool clubs available during Term 1 + 2. These include sporting clubs, homework club, revision classes and a range of other activities. Dates for GCSE revision classes in term 2 will be confirmed later and more activities will be introduced as the year progresses.

Qualifications and exam results are undoubtedly important and central to pupils' long term life success. However, developing a confident and well-rounded individual is also equally important. I strongly believe that the wide range and comprehensive schedule of extra-curricular activities on offer at Newry High will assist with this aim.

This schedule of activities is only sustainable if supported by pupils. Therefore, can I please ask that as parents you encourage your son/daughter to engage in as many activities as possible.

Can I also take this opportunity to remind all parents that we have on offer a **supervised homework club on Monday – Thursday from 3.00 pm to 4.15 pm in Room 10.**

Thank you for your support in this matter. Please do not hesitate to contact me if you have any questions about any of the scheduled activities.

Yours faithfully

Mr I Brown  
Principal
