School Values

Our Code of Conduct is focused on three key concepts:

Excellence

We expect the highest possible standards in all aspects of school life in partnership with all our stakeholders. We strive for continuous improvement in all that we do through effective self-evaluation.

Responsibility

We encourage our students to take responsibility for their own learning and behaviour and to contribute positively to all aspects of school life.

Respect

We expect all stakeholders to be considerate of other views and feelings. Trust, courtesy and co-operation are central to this key value. We encourage people to work together and develop positive relationships.

We strive to create an inviting and positive student-centred learning environment where all individuals are valued for their own personal strengths. We expect everyone to take pride in our school, show a 'can-do' attitude and be fully committed to all aspects of school life.
